

8 DAYS 7 NIGHTS SAFARI

Park Visiting: Tarangire National Park, Lake Manyara National Park, Serengeti National Park and Ngorongoro Crater.

1 DAY ONE

Arrival to Tanzania

Upon arrival at Kilimanjaro air port and finish all formalities and visa you will be welcoming by Wilderness First Staff with the display of your names, then you will have about 1 hour drive to the hotel in Arusha town. Overnight

2 DAY TWO

Arusha to Tarangire National Park

We will enjoy breakfast at the hotel then will enjoy a scenic drive to Tarangire national park which is lies about 115km west of Arusha, on the way we will be seeing different vegetation changes. Upon arrival we will finish park formalities then continue with a game drive.

Tarangire national park is famous for its large population of elephants, zebra, wildebeest, impala, giraffe, about 500 birds' species, a tree of life (popularly known as upside down tree) Baobab trees and amazing scenery. Overnight

3 DAY THREE

Lake Manyara National park

We enjoy breakfast at the lodge then we start our drive to Lake Manyara national park, which is about 45minutes drive from the lodge, we will enter through the southern gate and drive all the way to northern gate.

Lake Manyara is well known for its primate's population such as blue monkey, velvet monkey and Olive Baboon, also some browsers such as impala, giraffe and some grazers such as wildebeest and zebras and many birds' species with three different vegetation type of underground water forest, acacia woodland and open grassland. Thereafter we drive to the lodge adjacent to Ngorongoro Crater gate for overnight stay.

4 DAY FOUR

Ngorongoro Crater

We will enjoy breakfast at the lodge and then drive to Ngorongoro Crater for a game drive, with only 250 square km the Ngorongoro Craters rich soil and abundant year round water supply account for the large populations. There is an estimated 20,000 animals here at any given time which constitute of carnivores including lions, hyenas & jackal; herbivores including buffalo, wildebeest, gazelle & zebra; primates including baboons and birds including ostrich, kori bastard, crane & egret.

5 DAY FIVE

Ngorongoro - Serengeti National park

We will enjoy breakfast at the lodge then drive to Serengeti national park with optional of visiting Maasai Village on the way. This experience will help you better understand the ways of the Maasai tribe life and survival in dry areas of northern Tanzania. Thereafter we continue to Serengeti national park. For afternoon game drive and overnight.

6 DAY SIX

Serengeti National park

We enjoy a full game drive in Serengeti national park or optional early morning with afternoon rest and relax in the lodge then head out for late afternoon game drive.

7 DAY SEVEN

Serengeti National park

We enjoy a full game drive in Serengeti national park or optional early morning with afternoon rest and relax in the lodge then head out for late afternoon game drive.

Central Serengeti has a valley known Seronera valley, several perennial rivers run through the valley allowing many resident animals to thrive. It is common to see leopards, lions, cheetahs and hyenas and array of other herbivores such as warthog, zebra, buffalo, hippo, impala, topi, elephant, giraffe and many more.

8 DAY EIGHT

Serengeti National park to Kilimanjaro airport

We enjoy a half day game drive in Serengeti national park thereafter we drive to Seronera air strip to fly back to Kilimanjaro air port to connect to your international flight.
