

Itinerary at Glance:

11 DAYS SAFARI & ZANZIBAR

Park Visiting: Tarangire National Park, Ngorongoro Conservation Area and Serengeti National Park

Activity: Game drive, Cultural Tour & Walking Safari

1
DAY
ONE

Arrival to Tanzania

Upon arrival at Kilimanjaro airport and finish all formalities and visa you will be welcoming by Wilderness First Travel staff with the display of your names at Arrival exit, then you will have about an hour drive to the hotel in Arusha.

2
DAY
TWO

Arusha to Tarangire National Park

We will enjoy a scenic drive to Tarangire national park which lies about 2 hours & 30 minutes drive west of Arusha, on the way we will be enjoying changes in vegetation from cultivated lands to open dry grass land, which dominated mostly by Maasai tribe for cattle grazing.

Upon arrival we will finish the park formalities and continue with a game drive.

Tarangire national park is famous for its large population of elephants, zebra, wildebeest, impala, giraffe, about 500 birds' species, a tree of life (popularly known as upside down tree) Baobab trees and amazing scenery.

3
DAY
THREE

Tarangire National Park to Ngorongoro Conservation Area

We will enjoy a walking to the shore of Lake Manyara around 6.30am, for bird's sightings likes flamingos, white stocks and pelicans also zebra, wildebeest, ostrich and gazelle are common seen during the walk. Then we will come back shower, breakfast then start our drive close to Ngorongoro Conservation area.

On our way we will stop at Maasai village for some cultural experience and stop at souvenir shop for some gift shopping if your interested then continue with our drive to the lodge.

4
DAY
FOUR

Ngorongoro Crater Game drive

Early breakfast at the lodge then drive to Ngorongoro crater floor for a game drive then we will drive Northwestern Ngorongoro (Ndutu Area). we will take a scenic western route if weather permit.

Ngorongoro crater with an area of 250square km supporting more than 40,000 grazers, numbers of cats and some birds and primate species with beautiful scenery and free roaming endangered black rhinos.

It is known, as Ngorongoro Conservation Area because Maasai tribe lives together with wildlife and this is the most interesting part of Ngorongoro crater.

5 DAY FIVE

Ndutu Area to Central Serengeti

We will enjoy a game drive around Ndutu area, and then proceed to Central Serengeti for overnight.

The Ndutu area is visited mostly from December to April because the Wildebeest and Zebra Migration herds are in the area for giving birth, however attract a lot of big cats in the area.

Serengeti National Park is a UNESCO world heritage site and the most famous wildlife sanctuary in the world. With over 14,700 sq kms of savanna and woodlands, it is famed for its epic annual migration of vast herds of wildebeest, gazelles and zebras, followed by their predators.

6 DAY SIX

Central Serengeti Game drive

We will have an option of early morning game drive then back to the lodge for lunch and head out again for a late afternoon game drive or siesta, or drive out with picnic lunch then drive back to the lodge early afternoon for siesta.

Central Serengeti has a valley known as Seronera Valley; several perennial rivers run through the valley allowing many resident animals to thrive. It is common to see leopards, lions, cheetahs and hyenas and an array of herbivores such as warthog, zebra, buffalo, hippo, impala, topi, elephant, giraffe and more.

7 DAY SEVEN

Serengeti National Park to Zanzibar

We will check out at the Lodge then transferred to Seronera airstrip to fly to Zanzibar, upon arrival you will be welcomed by our representative in Zanzibar and transferred to the resort for overnight stay.

8 DAY EIGHT
